To Sarah Unsworth, John and the Jesjo Builders

I would like to compliment you on the sterling job you did with the Grade 3 classroom at Izotsha Primary School.

Your professionalism did not go unnoticed. For the safety measures set in place, keeping to deadlines and for your quality workmanship, I applaud you. The finishes and the end product were very impressive. The members of the Governing Body were also very pleased.

I would happily use you again. As a builders' daughter, I would not hesitate to recommend you as I am very impressed.

Congratulations and Thank You.
