SOUTHERN NATAL CONSTRUCTION / JESJO CONSTRUCTION

We have worked with Sarah Unsworth and John Nicholas (Southern Natal Construction / Jesjo) on 9 different houses since 2015.

We have found them competent in the execution of the works and have completed the house timeously.

The quality of workmanship is of a high standard and the clients have always been satisfied by their delivery.

They have always proved to have been competitively priced and we have found them a pleasure to work with.

We have no hesitation in recommending them for future work.

Should you require any further information, please do not hesitate to the writer.

Yours faithfully
for **BLOCH QUARMBY HIGGS**
