To Whom it may concern!

John Nicholas and Sarah Unsworth (Through Jesjo and SNC) have just successfully completed our residence at Lot123 Southbroom.

We are very satisfied with the outcome and enjoyed the project. Sarah & John have a great partnership, complimenting each other's skills.

We can highly recommend this JV.

You are welcome to contact us with further questions or if you would like to inspect our home.

Yours sincerely

Gerhard & Kim Uys
