Subject: REFERENCE - SNC - recommendation as quality builders

RE: Work Reference for Southern Natal construction – Sarah Unsworth and Jono Nicholas

To whom it may concern,

We are an architectural practice that has been involved with SNC for the past 5 years at Westhills Residential Estate - Durban.

Apart from really professional service to all our customers and developer clients, they always excel their efforts for building excellence in this field, whether in a quality finish, or purely building advice and solid experience.

We gladly make this recommendation for any project appointment with Sarah or John.

Kind regards,

Jim Velissariou
